Letter dated 21st Dec. 1940 from Rajasevasakta mr T.V.A. Iswaran, Dy. mr. (Retd.) requesting that the circumstances explained in his letter of a period of 1 year and odd required to make up a service of 30 year, may be considered and the full pension may be sanctioned to him.

Rajasevasakta mr T.V.A. Iswaran, Dy. Comr. (Retired) entered service on 28th August 1911 and the date of his retirement from service is 1st August 1940. He has therefore put in a service of 28 years 11 months and 3 days. ~~He~~, ~~[illegible] entitled to [illegible]~~ A pension of more ~~than~~ than Rs 500/- is admissible to him, but it has to limited to Rs 466 2/3 under Art 320 (b) of C.S.R.

mr Iswaran's contention is that he had been given extension of service till the end of December 1941 and his continuance in service till that date, would have given him the benefit of full pension viz Rs 500/-. In this connection ~~his~~ First Member's minute dated 28/1/39 and to his kind reference is invited to the Final Note dated 11th April 1940 explaining the circumstances that led to the grant of extension of service till the end of December 1940. In May 1940 mr Iswaran applied for permission to return to India in view of the unsettled conditions in ~~Britain~~ Europe due to War and permiss

was given to return to India. As it was then found that there was no need, due to war conditions, for a highly paid State officer in London, Mr Isvaran was permitted to retire from service from 15th August 1940. In the above circumstances it is for consideration whether Mr Isvaran's case calls for the grant of any concessions. | A | "X"

Secondly Mr Isvaran has put in a service of 28 years 11 months and 3 days and he wants a deficiency of 1 year and 27 days to make up a service of 30 years, to be condoned. But under Art. 272 of the M.S.R. Govt may Condone a deficiency upto 12 months. In the present case a condonation upto 7 days only can be effected. By the condonation of a deficiency of 7 days the total service put in, comes to 29 years. In that case, he would get a pension of Rs 483⅓ p.m. | and

But for War conditions, Mr. Isvaran would have earned the full pension his services having been extended till the End of Dec 1941. No doubt this Extension was granted to enable him to continue as Trade Comm^r, but owing to circumstances over which he had no control, he had to

Mr. Iswaran has put in a total qualifying service of 28 yrs. 11 months and 3 days. Under Article 272 M.S.R. Government may condone a deficiency not exceeding 12 months. In this case the deficiency that can be condoned is only 27 days and if this is done, his total qualifying service will be 29 years.

As reported by the Comptroller, a deficiency of 27 days may be condoned and the pension admissible for 29 years of qualifying service may be sanctioned. It is neither desirable nor necessary to depart from the fundamental rules in the grant of pension in this case.

Grant of full pension of Rs.500 per mensem to Mr.T.V.A.Isvara retired Trade Commissioner for Mysore in London.

The accompanying papers relate to the question of the pension to be granted to Rajasevasakta Mr. T.V.A. Isvaran who retired from service from 1st August 1940.

Mr. Isvaran entered service on 28th August 1911. He attained the age of superannuation on 20th April 1940, but as it was considered desirable to continue him as Trade Commissioner for Mysore in London, he was granted extension of service till the end of December 1940 and this was further extended till the end of December 1941. In May 1940 Mr. Isvaran applied for permission to return to India in view of the unsettled conditions in Europe due to war and permission was accordingly given to him to return to India. As it was then found that there was no need, due to war conditions, for a highly pai State officer in London, Mr. Isvaran was permitted to retire from service with effect from 1st August 1940. The net qualifying servic put in by Mr. Isvaran, therefore, comes to 28 years, 11 months and 3 days, for which a pension of Rs. 466-11-0 is admissible under Articl 320(b) of the Mysore Service Regulations. Mr. Isvaran requests that he may be given the full pension of Rs.500 which he would have been entitled to, if he had remained in service till December 1941. But for war conditions, Mr.Isvaran would have earned the full pension as he would have continued in service till the end of December 1941. No doubt this extension was granted to enable him to continue as Trade Commissioner, but owing to circumstances over which he had no contro he had to come back. Taking into consideration the service rendered by Mr. Isvaran in a foreign land, the better part of which was under difficult and anxious conditions, the case of Mr. Isvaran deserves the grant of full pension.

The Financial Secretary has noted that the proposal practicall amounts to the sanction of an arbitrary pension outside the rules an

that such cases should be avoided as far as possible.

I am of opinion that this is a fit case for the grant of full pension and the Dewan and the Second Member of Council agree with me. Gracious sanction of His Highness is solicited to grant a full pension of Rs. 500 to Mr. T.V.A. Iswaran.

The Chief Secretary to Govt.,

Dear Sir,

With reference to Government Order permitting me to retire from service from 1-8-1940, I beg to enclose my application for pension. My total qualifying service is ascertained to be 28 years 11 months and 3 days and my average emoluments come to Rs. 1,062.12.5, the pension admissible being Rs531-6-2. But I understand that this is limited to Rs.466 and odd owing to the fact that I have not completed 30 years of service. I beg to recall that I was given an extension of service up the end of December 1941 and if I had continued

in service till that date I would have completed service qualifying me to the full pension of Rs. 500 per mensem. In view of my loyal service, I beg that the Government may be pleased to condone the deficiency of one year and odd and to sanction the full pension which I would have got if my services had not been terminated from August last.

Yours sincerely,
